

Group Life

Life Formation Groups

Following the example of Jesus, we want to provide opportunities to walk through life & seek God together. The groups below may further investigate & discuss the Sunday message, study a particular book of the Bible or seek biblical wisdom on a life issue; they all center around knowing and following Jesus more intently.

Devotional Groups

Our weekly Devo Groups are designed for us to be challenged, encouraged, and strengthened together. We bring our thoughts, insights, and questions about the daily readings through the Bible which are outlined in journals that we provide for those interested.

For more information about attending or starting a group, call our office at 916-645-1111.
